

## **A Chairman's Holey Matters**

Picture the scene if you will, a Sunday ramble led by Bill. A halt he calls now for a drink, and many to the ground do sink.

They sink to the ground with a will, amongst them is our Chairman, Jill. Her coffee is brewed and milk added; her mat makes sure her seat is padded.

Of liquid refreshment the group partakes; of bananas, cereal bars, even cakes, but soon it is time to proceed and everyone to Bill pays good heed.

As Jill rises up from the ground, we hear her utter a sound. A plant stump has been where she sat and made a big hole in her mat.

A Chairman's mat should not be holed, so we have made very bold. A replacement item has been found to help Jill when she sits on the ground.

The mat is also a little token of words that are not easily spoken. Jill's fervour has been second to none and we thank her for all she has done.

Now Jill has chosen to take a rest from duties she fulfilled with zest. We hope she'll remember with much pride all she has done for Severnside.

**Thank you very much Jill**
