Severnside Ramblers

Chairwomans Report AGM 2026

Thank you all for continuing to support he Severnside group.

Severnside group will remain focused on walking , enjoyment of the natural world and the companionship of our fellow ramblers and in so doing taking care of physical and mental well-being of participants. I hope that anybody feels able to encourage others to join us in our programme of shorter and longer walks and social activities.

In Ramblers official world we've had a re-issue of the insurances, and we need to be mindful of our obligations under the insurance. I am attaching a link to the material in the Document library Ramblers website for anyone wishing to know more details.

The Ramblers governance review was discussed at General council. I am pleased to report that it was NOT approved 72.5% approved and 75% required. Our area voted to approve. A revised set of governance proposals have been created attempting to overcome the objections. These changes are in my view trivial and continue to represent a politicisation of Ramblers which isn't what group members joined a walking group for. Area council will discuss at their meeting . I don't intend to attend.

Next year our group will celebrate 30 years of existence and enjoyment of walking . We hope to have a social event to celebrate together. We look forward to more years of Rambling on.

Christine Turner
